OIL CONSERVATION DIVISION**

IN RE: NOTICE OF VIOLATION ISSUED TO B2J, LLC

FINAL ORDER

CASE NO.: 25924

ORDER NO.:24274

This matter came before the NM Oil Conservation Division for a scheduled hearing at 9 a.m. on March 12, 2026, at Santa Fe, New Mexico, before a duly appointed Hearing Officer.

NOW, the Division Director, having considered the record in this matter and the failure of the Respondent to appear, issues the following Order pursuant to the New Mexico Oil and Gas Act, NMSA 1978, Section 70-2-1 et seq., and 19.15.5.10 NMAC.

FINDINGS OF FACT

1. The OCD has jurisdiction over the parties and the subject matter in this proceeding.
2. The OCD duly filed a Notice of Violation ("NOV") and a Docketing Notice in this matter and properly served these documents on the Respondent, B2J, LLC, via electronic mail and certified mail to their designated addresses on or about January 22, 2026. *Prehearing Statement Exhibit 3, Exhibit 4.*
3. The NOV specified that a hearing would be held on March 5, 2026, and that a process for informal resolution was available for 30 days from receipt of the NOV *Prehearing Statement, Exhibit 3*. The case was continued until March 12, 2026, of which setting Respondent was duly notified at the physical and electronic addresses provided to OCD by Respondent.
4. The Respondent failed to avail itself of the informal resolution period, failed to respond to notices from the OCD, and did not correct its continued non-compliance. *Prehearing Statement, p. 2.*
5. The Respondent, B2J, LLC, OGRID # 270085, failed to appear at the scheduled hearing on March 12, 2026.
6. The Respondent is the registered operator of three (3) wells in New Mexico, of which all three (3) are and remain inactive and out of compliance with OCD regulations 19.15.25.8 and 19.15.5.9 NMAC. *Prehearing Statement, Exhibit 3.*
7. The proposed civil penalty for these violations, as outlined in the NOV and supporting documents amounts to \$1,350.00. *Prehearing Statement, Exhibit 3.*

8. The evidence admitted into the hearing record consisted of the following exhibits attached to the Pre-Hearing Statement and offered without objection by the Oil Conservation Division (OCD):
 - a) Exhibit 1: Affidavit of Rob Jackson. *Prehearing Statement, Exhibit 1.*
 - b) Exhibit 2: Resume of Rob Jackson. *Prehearing Statement, Exhibit 2.*
 - c) Exhibit 3: NOV (Notice of Violation) against B2J, LLC, dated January 20, 2026 (with attached exhibits). *Prehearing Statement, Exhibit 3.*
 - d) Exhibit 4: Affidavit of Sara Griego. *Prehearing Statement, Exhibit 4.*
9. The evidence of Notice of the NOV and Hearing admitted without objection at the hearing demonstrates that the Respondent was provided notice of the NOV and the hearing through several methods, as detailed in the Affidavit of Sara Griego (Exhibit 4) and the Pre-Hearing Statement itself.
10. Redundant Notice Efforts. Evidence admitted without objection—including the Affidavit of Sara Griego (Exhibit 4) and the Pre-Hearing Statement—demonstrates that the Division utilized multiple communication channels to provide notice of the NOV and hearing.
11. Electronic Service. On January 22, 2026, the Division emailed the Docketing Notice and NOV to louis.edgett@yahoo.com, the email address provided by the Respondent to OCD Permitting for official communications.
12. Service by Certified Mail. On the same day, January 22, 2026, the Division also sent the documents via USPS Certified Mail to the Respondent's address of record: P.O. Box 52, Lovington, New Mexico 88620.
13. Monitoring and Return of Service. The Division monitored the status of the certified mailing, which was returned to the Division as undelivered on or about February 26, 2026.
14. Sufficiency of Notice. Despite the return of the physical mail, the Division's service to the Respondent's designated email address constitutes notice reasonably calculated, under all the circumstances, to apprise the Respondent of the action and satisfies the requirements of due process.

CONCLUSIONS OF LAW

1. The Respondent's failure to appear at the duly noticed hearing constitutes a default.

2. Pursuant to 19.15.5.10 NMAC, the OCD may impose sanctions, including civil penalties, termination of authorization to transport, and plugging and abandonment of wells, for violations of Division rules. *Prehearing Statement, Exhibit 3.*
3. The evidence presented by the OCD staff in the pre-hearing statement and supporting affidavits is sufficient to establish the alleged violations. *See Prehearing Statement, Exhibit 1, 2, 3, and 4.*

ORDER

IT IS THEREFORE ORDERED THAT:

1. The Respondent, B2J, LLC is found to be in default for its failure to appear at the hearing on March 12, 2026.
2. The Respondent is in violation of 19.15.5.9, 19.15.7.24, 19.15.25.8 NMAC. *Prehearing Statement, Exhibit 3.*
3. A civil penalty in the amount of \$1,350.00 is hereby assessed against Respondent. *Id.*
4. The civil penalty shall be paid to the "New Mexico Oil Conservation Division" within thirty (30) days from the date of this Order.
5. The OCD is authorized to proceed with the remedies sought in its Pre-Hearing Statement and NOV, including directing the Respondent to plug and abandon the non-compliant wells, terminating the Respondent's authorization to transport from all wells, and seeking indemnification for costs incurred by the OCD. *Prehearing Statement p.2; Prehearing Statement, Exhibit 3.*
6. Jurisdiction of this matter is retained for the entry of such further orders as the Division may deem necessary.
