By Whom? Kody Phillips	Date and Hour: 2/1/08 at 10:00am.	
Was a Watercourse Reached? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	If YES, Volume Impacting the Watercourse.	

If a Watercourse was Impacted, Describe Fully.*

Describe Cause of Problem and Remedial Action Taken.*

Unknown transport driver illegally dumped salt water on location. Used backhoe to scrape up mess while spill was still fresh.

Describe Area Affected and Cleanup Action Taken *

Water was dumped all over location; we cleaned up contaminant with backhoe and hauled to CRI. Replaced contaminant with fresh caliche. Contaminant was contained on location and did not reach any vegetation.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
