| Are there additional details for the questions above (i.e. any answer containing Other, Specify, Unknown, and/or Fire, or any negative lost amounts)                                        | At the Mesquite Water Delivery Station, line sprang a leak after over pressured. Estimated that 30 bbls of produced water were released. Shut in and isolated incoming and outgoing line to eliminate spill. Release was not on a pad. Release was offsite. Release was not in a lined containment. Vacuum truck is in route. Recovered volumes to be updated. |

**QUESTIONS**

| <b>Nature and Volume of Release (continued)</b>                                                                                                                |                                                                                                                            |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Is this a gas only submission (i.e. only significant Mcf values reported)                                                                                      | <b>No, according to supplied volumes this does not appear to be a "gas only" report.</b>                                   |
| Was this a major release as defined by 19.15.29.7(A) NMAC                                                                                                      | <b>Yes, major release.</b>                                                                                                 |
| Reasons why this would be considered a submission for a notification of a major release                                                                        | <ul style="list-style-type: none"> <li>Unauthorized release of a volume, excluding gases, of 25 barrels or more</li> </ul> |
| If YES, was immediate notice given to the OCD, by whom                                                                                                         | Dale Woodall                                                                                                               |
| If YES, was immediate notice given to the OCD, to whom                                                                                                         | Gilbert Cordero, OCD                                                                                                       |
| If YES, was immediate notice given to the OCD, when                                                                                                            | 05/06/2022                                                                                                                 |
| If YES, was immediate notice given to the OCD, by what means (phone, email, etc.)                                                                              | telephone                                                                                                                  |
| <i>With the implementation of the 19.15.27 NMAC (05/25/2021), venting and/or flaring of natural gas (i.e. gas only) are to be submitted on the C-129 form.</i> |                                                                                                                            |

**Initial Response**

*The responsible party must undertake the following actions immediately unless they could create a safety hazard that would result in injury.*

|                                                                                                                    |                                                                                                                                            |
|--------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| The source of the release has been stopped                                                                         | True                                                                                                                                       |
| The impacted area has been secured to protect human health and the environment                                     | True                                                                                                                                       |
| Released materials have been contained via the use of berms or dikes, absorbent pads, or other containment devices | True                                                                                                                                       |
| All free liquids and recoverable materials have been removed and managed appropriately                             | Not answered.                                                                                                                              |
| If all the actions described above have not been undertaken, explain why                                           | Free standing produced water has not been recovered as of this notification. Vacuum trucks have been dispatched, but have not arrived yet. |

*Per 19.15.29.8 B. (4) NMAC the responsible party may commence remediation immediately after discovery of a release. If remediation has begun, please prepare and attach a narrative of actions to date in the follow-up C-141 submission. If remedial efforts have been successfully completed or if the release occurred within a lined containment area (see 19.15.29.11(A)(5)(a) NMAC), please prepare and attach all information needed for closure evaluation in the follow-up C-141 submission.*

|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input checked="" type="checkbox"/> | I acknowledge that I am authorized to submit notification of a releases on behalf of my operator.                                                                                                                                                                                                                                            |
| <input checked="" type="checkbox"/> | I acknowledge that upon submitting this application, I will be creating a new incident file (assigned to my operator) to track the notification(s) and corrective action(s) for a release, pursuant to NMAC 19.15.29.                                                                                                                        |
| <input checked="" type="checkbox"/> | I acknowledge that creating a new incident file will require my operator to file subsequent submission(s) of form "C-141, Application for administrative approval of a release notification and corrective action", pursuant to NMAC 19.15.29.                                                                                               |
| <input checked="" type="checkbox"/> | I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to OCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. |
| <input checked="" type="checkbox"/> | I acknowledge the fact that the acceptance of a C-141 report by the OCD does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to groundwater, surface water, human health or the environment.                                              |
| <input checked="" type="checkbox"/> | I acknowledge the fact that, in addition, OCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.                                                                                                                                   |
