Daniel,

Robert Kasuboski with the State land office sent me these spill pics today. They are from a Jim Pierce Well. The person of contact on this well was Phil Brewer, so I called his number. I spoke to an Adrienne Ragsdale who told me Mr. Brewer had passed away, but that the Jim Pierce wells were all being operated by Buddy DeLong... Ms. Ragsdale said she would contact Buddy DeLong and the person in her office who handled this, and have them both contact me.

I'll let you know when (if) I get more info.

I just came across this one. Valve on tank has a constant drip. Sounds like something is going into the tank. Some gurgling noise

Robert
