Re: Change of Owner / Operator and Monitoring Obligations for  
Indian Basin Gas Plant (AP-107)  
Eddy County, New Mexico

Dear Mr. Bratcher,

Pursuant to the Purchase and Sale Agreement (the “Agreement”), which was made and entered into on May 1, 2026 (the “Execution Date”), among Oxy Y-1 Company (“Oxy” and “Seller”), and Hilcorp Permian, LLC (“Hilcorp” and “Buyer”), Hilcorp is the new owner and operator of the Indian Basin Gas Plant (AP-107) located in Township 21 South, and portions of Range 23 East (Sections 13, 23, 24, 25 and 26) and Range 24 East (Sections 19 and 30), Eddy County, New Mexico.

By the terms of the Agreement, all environmental remedial obligations and liabilities of the Seller at the gas plant have been assumed by Buyer including but not limited to the groundwater monitoring requirements outlined in correspondence by the New Mexico Energy, Minerals and Natural Resources Department, New Mexico Oil Conservation Division (NMOCD) to Marathon Oil Company dated February 20, 2009, prior to Oxy operating the facility. Therefore, any future communication regarding the environmental remediation or monitoring obligations at the gas plant should be directed to Hilcorp.

The contact person at Hilcorp is Matt Henderson. He can be reached at (713) 289-2970 or via email at mhenderson@hilcorp.com. If you have any questions regarding this matter, please feel free to contact me at (832) 636-3651 or via email at brian\_noonan@oxy.com.

Respectfully,

A handwritten signature in blue ink, appearing to read "B Noonan", with a long horizontal flourish extending to the right.
