You don't often get email from ijimenez@kinetik.com. Learn why this is important

Good morning Fernando,

You are correct, the gathering equipment in the coordinates and picture shown belong to Kinetik (Frontier Field Services) and not Riley Permian, this is part of our pipeline system.

Thank you,

KINETIK

Hello,

I was reaching out in regard to a site release rejection that the OCD sent us. It is for the Friendly Frenchman HB #001 (30-015-22017) at: 32.8743134, -104.3974991. And there looks to be gathering equipment set up at the east side of the location fenced up with a Frontier sign. Can we please get a letter stating that it is Kinetik property and not Riley Permian's? The OCD thinks it's Riley's and wants it removed. Please let me know if you have any questions or need more information.

Thanks,

Fernando Rodriguez
