Jicarilla Apache well.

The BLM finds the updated procedure appropriate.

This email has been received from outside of DOI - Use caution before clicking on links, opening attachments, or responding.

Good afternoon all,

Attached is the recent CBL on the Chacon Jicarilla #7 API 3004320269. Estimated TOC is ~ 1750'.

We propose the following amendment:

- Pump Plug #2 (Nacimiento) as a 12sx balance plug from 2047-2197'.

We will then proceed with the procedure as planned with appropriate COA's in the NOI attached.
