Hand Delivered

Michael E. Stogner  
Oil Conservation Division  
1220 South St. Francis Drive  
Santa Fe, New Mexico 87505

Dear Mr. Stogner:

Pursuant to Division Rule 104.F.(2), Bass Enterprises Production Co. ("Bass"), as operator, applies for administrative approval of an unorthodox oil well location for the following well:

<u>Well:</u>	James Unit Well No. 85
<u>Location:</u>	2180 feet FSL & 185 feet FWL
<u>Well Unit:</u>	Lot 6 of Section 6, Township 23 South, Range 31 West, N.M.P.M. (40.96 acres)

The well will be drilled to test the Delaware formation (Undesignated Southeast Quahada Ridge-Delaware Pool). The pool is spaced on statewide rules. The APD for the well is attached as Exhibit A.

The well is in the oil-potash area of southeast New Mexico, and the proposed location is the one approved by the Bureau of Land Management (the "BLM"). In addition, the location moves away from a residence on Lot 6. See Exhibit A.

Attached as Exhibit B is a copy of the BLM's Serial Register Page for Federal Lease NM 04473, which covers Lot 6 of Section 6. Also attached, as Exhibit C, is a copy of the BLM's Serial Register Page for Federal Lease NM 02884-B, which covers the S½NE¼ and SE¼ of offsetting Section 1, Township 23 South, Range 30 East, N.M.P.M. Both leases have the same royalty and working interest ownership (there are no overriding royalty owners). Both leases are within, and fully committed to, the James Ranch Unit. See Exhibit D. As a result, there is no adversely affected party who must be notified of the application.

Please call me if you need any further information on this matter.

Very truly yours,

A handwritten signature in cursive script, appearing to read "James Bruce". The signature is written in dark ink and is positioned above the printed name.

James Bruce

Attorney for Bass Enterprises Production Co.
