Lea County, New Mexico

Cone Field Yates Sand Unit, Well #200  
Sec 13, T-22-S, R-35-E  
1310' FSL & 10' FWL  
Jalmat; Tansill-Yates-7 Rivers pool  
Lea County, New Mexico

Cone Jalmat Yates Pool Unit, Well #204

The wells are "unit-line" wells and are part of the drilling development that Melrose is currently drilling. Would you please let us know what the status is of the applications? If you need any further information, please let us know.
