Dear Mr. Catanach,

One of your requests for the approval of the C-107 for the Yates Petroleum Corporation Kookaburra AZB No. 2, Section 24-12S-34E, Lea County, New Mexico, was that we submit production on the well after it had been on line for a couple of months. I am submitting the production for your review in tabular and graphical form.

If there is anything else you require, please contact me.

Sincerely,

Sam Brandon
