Re: Amendment of Order No.  
DHC-204, Change in the  
Allocation of Production  
Formula

Gentlemen:

Your request to change the allocation formula for Order No. DHC-204 has been reviewed. Based on the data you submitted, a change in the allocation formula will be allowed.

It is therefore ordered that that assignment of allowable and allocation of production for Order No. 204 should be changed to read as follows:

UPPER POOL (Weir Blinebry): Oil 5% Gas 1%  
LOWER POOL (Monument-Tubb): Oil 95% Gas 99%

All other provisions of Order No. 204 shall remain unchanged and in force. Any questions pertaining to this amendment should be forwarded to Gilbert Quintana at (505) 827-5807.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe D. Ramey".
