RE: Unorthodox Drilling Location Application  
Avalon 1 Federal #2  
T21S, R26E, Sec. 1: Lots 33,34,39,40  
Eddy County, New Mexico

Gentlemen:

In the matter of the request by Bonneville Fuels Corporation for the administrative approval of the unorthodox drilling location for the Avalon 1 Federal #2 well, please be advised that the undersigned has no objection to the drilling of the subject well in accordance with the application filed by Bonneville, which includes the following:

1. Directionally drilling said well from the following Unorthodox Surface Location required by Topography:  

2686' FSL & 1999' FEL, Lot 31, Unit 'O',
2. Directionally drilling to an Orthodox Location in the Foster Draw Delaware Gas Pool, which meets the 660' setback requirements (1989' FSL & 1824' FEL, Lot 34, Unit 'R'), then continuing to directionally drill until reaching the anticipated, orthodox, bottom hole total depth location (1900' FSL & 1800' FEL, Lot 34, Unit 'R'), and
3. That said well be permitted to produce at capacity and without restriction from any portion of the wellbore which is orthodox by meeting the minimum 660' setback requirements.

The undersigned does hereby waive all objection to the administrative approval of this matter as described herein.
