Billy,

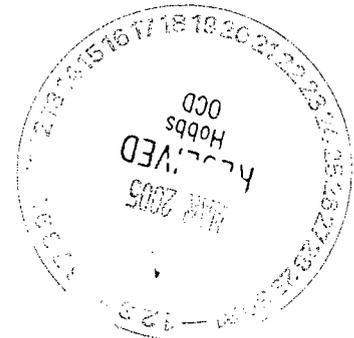

Attached is the March, 2005 report for February, 2005's activity related to InFlow Petroleum Resources, LP's Compliance Order 01-04-003 signed under Operator OGRID number 225789.

Each month, we are required to act on two wells. For February, the state Federal 6 COM #2 was returned to production and we received atA extension on the Ascarte D-24 #1 from the BLM. It is my understanding that you will forward a copy of this report to the State Attorney's office in Santa Fe. Please call if you have any questions.

Best Regards,

A handwritten signature in black ink, appearing to read "Matt Houston", is written over the typed name.
