Dear Mr. Brooks:

Dale H Parke

Premier Oil & Gas, Inc. requests approval for the Dale H. Parke C #24 unorthodox location described above. The well is unorthodox because there is a buried pipeline to the south. The well will be completed in the Loco Hills; Glorietta-Yeso formation. This location was deemed the best alternative to the original location. This well is in the NW/NW of Section 23 and is unorthodox to the SW/SW of Section 14. It is only 50' feet unorthodox putting it 280' feet off the affected proration units.

Notice will be given to the operators in the Loco Hills; Glorietta-Yeso formation. Premier Oil & Gas, Inc. is the operator of the affected proration NW/NW of Section 23. COG Operating LLC is the operator of the SW/SW affected proration unit of Section 14 and the SW/NW of Section 23. Burnett Oil is the operator of the SE/SW of Section 14. Apache Corporation is operator of the SE/NE of Section 22. COG Operating LLC, Burnett Oil, and Apache Corporation will all be notified by mail with a Certified Return Receipt and also be notified by fax. Enclosed is a copy of form C-102 showing the location and proposed proration unit along with a copy of a letter giving notification to COG Operating LLC. Also, enclosed is a map showing affected spacing unit(s).

Thank you for your help in this matter.

Sincerely,

  
Kenneth Jones

Dear Mr. Jones

The units toward which this proposed unorthodox location encroaches are the SW/4 SW/4 of Section 14 and the SE/4 SE/4 of Section 15. You have correctly identified COG as operator of the SW/4 SW/4 of Section 14 and given them notice.

Apparently Premier is operator of the SE/SE of Section 15. Where the applicant is the operator of an offsetting tract, notice is required to working interest owners in that tract unless the applicant owns 100% of the working interest, or the working interest ownership in the offset tract is identical to the working interest ownership in the tract where the subject well will be located.

Please advise if either of the exceptions applies, and, if not, if any other working interest owners in the SE/SE of Section 15 have been notified.

Sincerely

David K. Brooks

Hi David,

I'm sorry for not clarifying this issue in my letter but the SE/4 SE/4 of Section 15 is also the Parke C lease which is an 80 acre lease including the unorthodox tract and location (NW/4 NW/4 of Section 23). All WI owners are the same for both 40 acre tracts therefore no formal notification is required (obviously they already know).

Regards,

Ken
