Reference is made to your application received on September 30, 2014.

You have requested to drill this well at an unorthodox oil well location described above in the referenced pool or formation. This location is governed by statewide Rule 19.15.15.9.A NMAC, which provides for 40-acre units with wells located at least 330 feet from a unit outer boundary. This location is less than 330 feet from a unit outer boundary.

Your application has been duly filed under the provisions of Division Rules 15.13 19.15.15.13 NMAC and 19.15.4.12.A (2) NMAC.

An unorthodox location in order to avoid large sand dunes and non-owned existing pipelines.

It is also understood that notice of this application to offsetting operators or owners is unnecessary due to common ownership.
