Re: Request for administrative approval of the Non-Standard Location for the
Dagger State Unit Well No. 3
API# 30-025-36595
1902' FSL, 1405' FWL
Unit K, Sec. 19, T21S, R33E
Lea County, NM

Mr. Michael McMillan,

Amtex Energy, Inc. ("Amtex") is hereby requesting the State of New Mexico OCD to administratively approve the attached C-102, for the Dagger State Unit Well No. 3 at a Non-Standard Location ("NSL"), because all offset acreage is Amtex acreage. Additionally, this C-102 NSL is being filed with the C-104 and C-105, well completion potential test, at the OCD in Hobbs, NM.

The Dagger State Unit Well No. 3 is in a 40 acre pool, located in unit letter K. The West offset unit is Lot 3 (36.08 acres) and is owned by Amtex in its State of NM Lease #V08657, which covers the W/2 Sec. 19, T21S, R33E. The East offset acreage is also owned by Amtex in its State of NM Lease #V08700, which covers the E/2 Sec. 19, T21S, R33E, all in Lea County, New Mexico.

Thank you for your consideration and if you have any questions contact Bill Savage (432) 770-0913.

Very Truly Yours,

A handwritten signature in cursive script that reads "William J. Savage". The signature is fluid and appears to be written in ink.

Attachments: Dagger State Unit #3 Non-Standard Location C-102.pdf

Mr. Michael McMillan,

Amtex Energy, Inc. ("Amtex") has reentered the Dagger State Unit Well No. 3, formerly known as the Top Hat 19 State Well No. 1, API# 30-025-36595. Amtex is making this request because Amtex has recompleted the Dagger State Unit Well No. 3 into the Wolfcamp zone, which is the same zone it has completed and produces in another well on trend to the south.

Thanks,

Clay Daniel

Subject: RE: Request for administrative approval of the Non-Standard Location for the Dagger State Unit Well No. 3

I need a reason-is it land issues-geological or land or both.

Next, the C-102 does not represent the dedicated acreage-it shows 320-acres; instead it should show 40-acres.

Michael McMillan
