Re: Application of Matador Production Company for administrative approval of an unorthodox well location, Section 20, Township 20 South, Range 29 East, N.M.P.M., Eddy County, New Mexico.
Stebbins 20 Fed #204H Well

Dear Mr. Catanach:

Matador Production Company (OGRID No. 228937) seeks administrative approval of an unorthodox well location ("NSL") for its **Stebbins 20 Fed #204H Well** (API No. 30-015-44177) to be completed within the Burton Flat; Wolfcamp, East (Gas) Pool (Pool Code 73480) underlying the S/2 of Section 20, Township 20S, Range 29E, N.M.P.M., Eddy County, New Mexico. A C-102 for the Well is attached as **Exhibit A**. This is a horizontal well that will be drilled as follows:

Stebbins 20 Fed #204H

- Surface Hole Location: 391 feet from the South line and 260 feet from the West line of Section 20, Township 20 South, Range 29 East;
- First Perforation Point: 1100 feet from the South line and 330 feet from the West line of Section 20, Township 20 South, Range 29 East;
- Last Perforation Point: 1100 feet from the South line and 330 feet from the East line of Section 20, Township 20 South, Range 29 East; and
- Bottom Hole Location: 1100 feet from the South line and 240 feet from the East line of Section 20, Township 20 South, Range 29 East.

Matador Production Company is requesting approval of a non-standard location in order to efficiently produce its interests in Section 20. The **Stebbins 20 Fed #204H Well** will produce from the Burton Flat; Wolfcamp, East (Gas) Pool (Pool Code 73480). There are no special pool rules for this pool, and thus the setback requirements under Rule 19.15.15.10(B) of 660' apply. The completed interval for the proposed well is closer than 660' from the boundary of the project

HOLLAND & HART^{LLP}

area. The unorthodox location will encroach towards the E/2 and S/2 of Section 19, and the W/2 and S/2 of Section 21, Township 20 South, Range 29 East. A list showing the surrounding ownership and the project area for the proposed well in relation to adjoining spacing units is attached as **Exhibit B**.

A list of the parties affected by the encroachment is attached as **Exhibit C**. Each of these parties has been provided notice of this application by certified mail, return receipt requested, advising them that if they have an objection to the location of this Well, it must be filed with the New Mexico Oil Conservation Division within 20 days of the mailing of this notice. In addition, a copy of this application has also been provided to the New Mexico State Land Office.

Your attention to this matter is appreciated.

Sincerely,

Jordan L. Kessler
