Dear Mr. Lowe:

Pursuant to Division Rule 19.15.15.11, COG Production LLC (COG) respectfully requests administrative approval of a Non-standard Proration Unit for the Copperhead 31 Federal Com 2H well.

COG is seeking approval of the non-standard unit due to an irregular section along the New Mexico/Texas state border that is dedicated to the proration unit for this well. Please refer to the attached C-102 which shows Lot 3 is 40% less than the standard 40 acre unit. No owner notification is required in this case.

Thank you for your consideration of this application. Should you have questions or require further information, please contact me at 575-748-6952 or by email at bgoodloe@concho.com.

Sincerely,
