Re: Application of EOG Resources, Inc. for administrative approval of an unorthodox well location for its Condor 32 State No. 603H Well in the E/2 W/2 of Section 32, Township 25 South, Range 34 East, N.M.P.M., Lea County, New Mexico.

Dear Ms. Riley:

EOG Resources, Inc. (OGRID No. 7377) seeks administrative approval of an unorthodox well location for its **Condor 32 State No. 603H Well** (API No. 30-025-44670) to be completed within the Hardin Tank; Bone Spring (Pool Code 96661) underlying Section 32, Township 25 South, Range 34 East, N.M.P.M., Lea County, New Mexico. This well will be drilled from a surface location 843 feet from the north line and 2,556 feet from the west line (Unit C) of Section 32. The upper most perforation will be located 330 feet from north line and 2,580 feet from the west line (Unit C) of Section 32, and the lower most perforation will be 330 feet from the south line and 2,582 feet from the west line (Unit N) of Section 32. Since this acreage is governed by the Division's statewide rules which provides for wells to be located no closer than 330 feet to the outer boundary of the spacing unit, the completed interval for this well will be unorthodox because it is closer than 330 feet to the northeastern, eastern, and southeastern boundaries of the project area.

EOG is the 100% working interest owner in the SW/4 SE/4 of Section 29, the W/2 E/2 of Section 32, and the NW/4 NE/4 of Section 5, Township 26 South, Range 34 East, N.M.P.M., Lea County, New Mexico. Approval of the unorthodox completed interval will allow EOG to use their preferred well spacing plan for horizontal wells in this area and thereby prevent waste.

**Exhibit A** is a Well Location and Acreage Dedication Plat (Form C-102), which shows that the completed interval of the proposed **Condor 32 State No. 603H Well** encroaches on the spacing and proration units to the northeast, east, and southeast.

Exhibit B is a land plat for Section 32 and the surrounding sections that shows the proposed Condor 32 State No. 603H Well in relation to adjoining units and existing wells.

**Exhibit** C is an affidavit from the landman verifying that EOG is the 100% working interest owner in the SW/4 SE/4 of Section 29, the W/2 E/2 of Section 32, and the NW/4 NE/4 of Section 5, Township 26 South, Range 34 East, N.M.P.M., Lea County, New Mexico.

As described above, EOG is the 100% working interest owner in the SW/4 SE/4 of Section 29, the W/2 E/2 of Section 32, and the NW/4 NE/4 of Section 5, Township 26 South, Range 34 East, N.M.P.M., Lea County, New Mexico. Accordingly, there are no affected parties in the spacing units to the northeast, east, and southeast of the proposed well. A copy of this application has been provided to the State Land Office.

Your attention to this matter is appreciated.

Sincerely,

Adam G. Rankin
