The oil production from these wells may be transported by truck to either the Red Hills Offload Station, located in Unit O, Section 4-T26S-R32E, or the Jal Offload Station, located in Unit D, Section 4-T26S-R37E, Lea County in the event the CTB on lease is over capacity or in the case of battery or pipeline repairs. Oil will remain segregated and will be measured by lact meter when offloading at the Offload Stations. COG is the operator and sole working interest owner in these wells, therefore no notifications will be necessary. A letter to that effect from the COG Landman is included with this application

Please see the attached Administrative Application Checklist, plats for referenced wells, letter from Landman stating COG as sole owner, diagrams of site facilities and a map with lease boundaries showing wells and facility locations.

Thank you for your attention to this matter.

Sincerely,

Mr. McMillan,

Please find attached the application for OLM for our Windward Federal Lease. Please note that this application is for OLM (oil only) to the Red Hills & Jal Offloads as a back-up in the event the CTB's on lease are at capacity or down for repairs. COG is the operator and sole working interest owner in these wells, therefore no notifications will be necessary. A letter to that effect from the COG Landman is included with this application. Original application to follow by mail.

Please let me know if you need anything further.

Thank you,

Bobbie Goodloe

RE: Windward Federal Lease for Off-Lease Measurement

To whom it concerns,

I am the landman at Concho whose area of responsibility includes Sections 30 and 31 of Township 24 South, Range 32 East, Lea County, New Mexico.

A review of our title records indicates the ownership of the oil and gas interests (both working interest and royalty) are exactly the same (both in ownership and quantum owned). Further, COG is the sole working interest owner in all of Sections 30 and 31, so no notifications will be necessary regarding Off-Lease Measurement.

Respectfully,

A handwritten signature in black ink, appearing to read "MS", written over a horizontal line.
