**Re: ACOI No. 2016-003-A**  
Operator: HILCORP Energy Company; OGRID No. **372171**

Dear Operator:

Thank you for returning the signed agreed compliance order regarding inactive wells operated by HILCORP Energy Company (HILCORP). Enclosed is a copy of the fully executed order.

The Order requires HILCORP to test each of the wells identified in the Order starting in **June of 2019** and again in **June of 2020**. The Order also requires HILCORP to file a compliance report with the Oil Conservation Division (OCD) Compliance and Enforcement Manager, Daniel Sanchez, with those dates and the method of testing. **The compliance report must be received in the same month that the testing took place.** If you have questions about how to file a compliance report, please contact me at (505) 476-3493.

As HILCORP works to fulfill its obligations under the order, it should also monitor the status of its other wells to ensure that wells, not associated with this agreement, do not remain inactive for a period exceeding 15 months. Remember that you can search the OCD's Inactive Well List for wells that are inactive, but not yet out of compliance.

### **ORDER**

1. Operator agrees to bring the well(s) listed in Exhibit "A" into compliance with 19.15.25.8 NMAC within 36 months following the date the well became inactive as defined by 19.15.25.8 NMAC, and is provided in Exhibit "A", by either:

  - c. or placing the well in approved temporary abandonment pursuant to 15.15.25 NMAC.
2. Operator also agrees that it will perform a test for each well on Exhibit "A" one year from the start of the 36 month period of this Order, and then again two years from the start of the 36 month period of this Order for each well in Exhibit "A", and shall provide results of each test to OCD's Enforcement and Compliance Manager at 1220 S. St. Francis Drive, Santa Fe, NM 87505 within 30 days of completion of the test.
3. If Operator has additional wells that become out of compliance, or will soon be out of compliance, with 19.15.25.8 NMAC, Exhibit "A" may be amended to include

**NMOCD – ACOI- 2017-003-A, OGRID 372171**

such wells if the OCD approves the amendment. For the additional wells, Operator shall conduct the tests required in Ordering Paragraph 2 above on or before the dates specified in Exhibit "A".

4. If the Operator returns a well to compliance with 19.15.25.8 NMAC the well shall no longer be considered part of Exhibit "A".
5. Operator shall file a compliance report identifying each well returned to compliance, stating the date it was returned to compliance, and describing the work performed to return the well to compliance, in addition to any other forms or documentation required by OCD rules for the work performed. The written compliance report must be mailed to the attention of OCD's Enforcement and Compliance Manager and to the Office of General Counsel at 1220 S. St. Francis Drive, Santa Fe, NM 87505, so that it is **received within 10 business days** after the well(s) return to compliance.

  - d. agrees to submit compliance reports as required in Ordering Paragraph 5;
  - e. waives any right, pursuant to the Oil and Gas Act to an appeal from this Order, or to a hearing either prior to or subsequent to the entry of this Order regarding the matters resolved hereby; and
  - f. agrees that the Order may be enforced by OCD or Oil Conservation Commission Order, by suit or otherwise to the same extent and with the same effect as a final Order of the OCD or Oil Conservation Commission entered after notice and hearing in accordance with all terms and provisions of the Oil and Gas Act.
7. Operator understands that if it fails to meet the terms of this Order, the OCD may seek enforcement pursuant to the New Mexico Oil and Gas Act, including monetary penalties as authorized under NMSA 1978, § 70-2-31.
8. If a well poses a risk relating to the conservation of oil and gas or the protection of public health and the environment, the OCD reserves the right to file an application for hearing to require Operator to plug any well identified in Exhibit "A", or if the Operator fails to plug the well to obtain authority to plug the well and forfeit the applicable financial assurance.

9. Operator understands and agrees that, except as expressly provided in this Order, nothing in this Order exempts Operator from complying with all statutes, rules, and orders Operator is otherwise subject to, and the failure to comply with any applicable statute(s), rule(s), and/or order(s) may result in OCD pursuing any remedies available under the law. Further, Operator's failure to comply with other applicable statute(s), rule(s), and/or order(s) may, in OCD's sole discretion, result in termination of this Order.
