Re: Request for Surface Commingle

Mr. McMillan,

COG Operating LLC respectfully requests approval to Surface Commingle our Bone Yard 11 Fee wells at the 16H facility.

Bone Yard 11 Fee 11H
Eddy County, NM
API # 30-015-43417
Surface: 120 FNL & 170 FWL
Sec 11, T20S, R25E, Unit D

Bone Yard 11 Fee 12H
Eddy County, NM
API # 30-015-43305
Surface: 170 FSL & 1460 FWL
Sec 2, T20S, R25E, Unit N

Bone Yard 11 Fee 16H
Eddy County, NM
API #: 30-015-43999
Surface: 2373 FSL & 2110 FWL
Sec 2, T20S, R25E, Unit K

Consolidating our battery facilities will extend the economic life for these wells and lessen surface disturbance. The wells above all have diverse ownership. Two wells will produce into their own dedicated test separator and have continuous metering. The third well will be allocated using the subtraction method. These wells are currently commingled under CTB-770. We would like to commingle the Bone Yard 11H and 12H at the 16H battery which will leave the Grave Digger State Com 8H producing at its own facility. Commingling will not reduce the value of production.

These wells will be producing from the N. Seven Rivers;Glorieta-Yeso 97565. Attached is a diagram of the battery facility, a map showing the well locations and the location of the CTB, admin checklist, and notice to all interest owners and publication.

Please contact me at 432-685-4332 should you have any questions.

Sincerely,

COG Operating LLC

Subject: Bone Yard Fee 16H Central Tank Battery - Objection

All: I represent Dan Evans Sheehan, Charles M. Thompson, Lois Thompson, Doda S. White, Harvey D. Sheehan and Dan Cody Keefe (the "Sheehan Family Members"). They have recently received a commingling application from COG Operating LLC for the Bone Yard Fee 16H Central Tank Battery, which involves a request to commingle production from the following wells:

- Bone Yard Fee 11H (API 30-015-43417)
- Bone Yard Fee 12H (API 30-015-43305)
- Bone Yard Fee 16H (API 30-015-43999)

The Sheehan Family Members have overserved several discrepancies in overriding royalty payments received from COG and object to this application. They believe that the commingling of production will only compound these issues, leading to further accounting and production confusion concerns. The Sheehan Family Members are in the process of reaching out to COG and hope to resolve these concerns. However, they ask that the Division not grant this application until their objections can be resolved.

The notices for this application are dated May 17, 2018. Please let me know if you have any questions concerning this objection. I have copied in-house counsel for COG on this e-mail.

Thank you,
Jennifer
