Operator: Enduring Resources; OGRID No. **372286**

Dear Operator:

Thank you for returning the signed agreed compliance order regarding inactive wells operated by Enduring Resources (Enduring). Enclosed is a copy of the fully executed order.

The Order requires Enduring to test each of the wells identified in the Order starting in **June of 2018** and again in **June of 2019**. The Order also requires Enduring to file a compliance report with the Oil Conservation Division (OCD) Compliance and Enforcement Manager, Daniel Sanchez, with those dates and the method of testing. **The compliance report must be received in the same month that the testing took place.** If you have questions about how to file a compliance report, please contact me at (505) 476-3493.

As Enduring works to fulfill its obligations under the order, it should also monitor the status of its other wells to ensure that wells, not associated with this agreement, do not remain inactive for a period exceeding 15 months. Remember that you can search the OCD's Inactive Well List for wells that are inactive, but not yet out of compliance.

3. If Operator has additional wells that become out of compliance, or will soon be out of compliance, with 19.15.25.8 NMAC, Exhibit "A" may be amended to include such wells if the OCD approves the amendment. For the additional wells,

**NMOCD – ACOI- 2016-009, OGRID 120782**

7. Operator understands that if it fails to meet the terms of this Order, the OCD may seek enforcement pursuant to the New Mexico Oil and Gas Act, including monetary penalties as authorized under NMSA 1978, § 70-2-31.
8. If a well poses a risk relating to the conservation of oil and gas or the protection of public health and the environment, the OCD reserves the right to file an application for hearing to require Operator to plug any well identified in Exhibit "A", or if the Operator fails to plug the well to obtain authority to plug the well and forfeit the applicable financial assurance.

9. Operator understands and agrees that, except as expressly provided in this Order, nothing in this Order exempts Operator from complying with all statutes, rules, and orders Operator is otherwise subject to, and the failure to comply with any applicable statute(s), rule(s), and/or order(s) may result in OCD pursuing any remedies available under the law.
