What is Balancing Owner Missing Address?

I assume this is an unlocatable interest.

If so you will be expected to run a newspaper ad.

In the newspaper ad, you must list everyone in which you do not have a valid address

Your application will be suspended until the OCD receives the affidavit of publication

Michael,

I went back and looked at what was sent from our Land Department, and it looks like the list that was attached to the packet was incomplete. I have attached the entire list in this email, and Logos is one of the last notifications on page 31. I will send your email with their objection to our Land group to see what we need to do next.

Thanks,
Mandi
