Subject: [EXTERNAL] Re: Extension Request 1RF's 003, 006 and 007.

Hello,

I called to discuss these but, with no answer, the following:

Devon has requested on a March 21, 2019 letter, six month extensions for:

- 1) North Gaucho (1RF-006)
- 2) Ursula (1RF-007)
- 3) Green Clean (1RF-003)

Stated reasoning indicated a shift in development timeframes/plans. As the Part 34 Rule allows for a one time six (6) month extension by just requesting said extension. This is allowed and approved. Please note, that if additional requests are made for throughput issues it will likely have to route to OCD hearing structure.

Please keep this email communication as NO paper copy will follow.

Sincerely,

Bradford Billings
