I talked to David Brooks earlier about this application.
Based on Hearing Order R-11131, an administrative DHC is not required.
The Hearing Order approved the DHC, and did not place a timeline on the Hearing Order.

Therefore, your DHC application is dismissed.

Michael,

Attached please find the C-107A Application for the above mentioned well. Kate and Amy brought it to our attention today that the previous operator had not filed a DHC for these 2 zones. We have perf'd the well, but have not turned it to production, as we found this out today. We will wait to turn the well on pending your approval.

Please let me know if you need anything further for your review.

Thank you,
