Before the OCD will proceed with the revised LilyStream Water Solutions, LLC Bounds SWD Well No. 3 application, you must notify the OCD that you are cancelling your initial application

I did not see that the BLM was notified.

Therefore, your application is still in suspense until you provide proof of notice to them.

Joel:

Your application for the LilyStream Water Solutions, LLC Bounds SWD Well No. 3 was received April 24, 2019. However, your proof of mailing does not definitively show that the affected parties were mailed.

You show that the affected parties were mailed an application, but there is no verification in terms of tracking number that they were actually mailed the application.

Also, the green cards do not list the names of the affected parties.

You must provide definitive proof that shows the affected parties received notification.

Also, you must send an application to the BLM

As a result, your application is suspended.

Mike
