Good morning Michael,
I am working in Houston this week and just listened to your voicemail. Attached is the procedure you requested for the Clayton 1. Let me know if you need anything else.

Rob,
Michael had a question of a list of owners without current addresses. Ben ran the notice in Farmington paper last week; however, was there a list of owners in the notice.

If you have any questions or concerns, I can be reached by email or call my cell phone (505)330-7877.

Thank you,

Priscilla

Michael,

The schematics are the same. I made the proposed perforations too big that it covered the cement behind it. I apologize about that. And I forwarded your question about the interest owners to our Landman. As soon as I find out, I will let you know. Thank you.

The two WBD dot not match.

One shows cement over the Mesaverde and the other does not

This issue will have to be resolved before I will recommend signature by the Director.
