Re: Application of Marathon Oil Permian LLC for administrative approval of unorthodox well location for its Neptune 8 WXY Fee 1H well, located in the W/2 of Section 5, Township 23 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.

Dear Mr. Lowe:

After discussions with the New Mexico Oil Conservation Division, we realized that we inadvertently failed to provide notice to affected parties for the SE/4 of Section 5, Township 23 South, Range 28 East. We provided that notice on Thursday, June 20, 2019. It is our understanding that this additional notice satisfies the requirements for the application we originally filed with the New Mexico Oil Conservation Division on May 24, 2019.

Sincerely,

Deana M. Bennett

Hello,

My apologies for the delay. We have been working toward getting the letters out as you requested but needed additional address information from Marathon. We now have that information and so our goal was to send the letters out today or tomorrow. Can we have a couple more days before you cancel? I would really appreciate that if at all possible.

Thanks so much,

Deana
