RE: Commingling the production of the Bonaid Fed Com 14H and 15H wells

Mr. McMillan:

My name is Matt Solomon and I am the landman at COG Operating LLC ("Concho") whose area of responsibility includes T24S-R35E, Lea County, New Mexico.

I have reviewed the Division Order Title Opinion for the W2W2 of Sections 17 and 20 (containing the 15H) and the E2W2 of Sections 17 and 20 (containing the 14H). The revenue owners are identical. As defined in NMAC 19.15.12.7.B, identical ownership means leases or pools have the same working, royalty and overriding royalty owners in exactly the same percentages.

Respectfully submitted,

Matt Solomon - CPL, J.D.
