**Subject:** [EXT] Additional Information - McCrae SWD No. 1  
**Attachments:** Additional Information\_McCrae SWD No. 1.pdf

Michael,

Attached for you are additional C-108 elements for Solaris Water Midstream's McCrae SWD No. 1. These items are being submitted in order to deem our application administratively complete. Should you have any questions or require additional information, please reach out to Ramona or myself so we can provide you what you need.

## **GEOLOGIC AFFIRMATION**

I have examined available geologic and engineering data and have found no evidence of open faults or other hydrologic connection between the disposal interval and underground sources of drinking water.

A handwritten signature in black ink, consisting of a large, stylized 'S' followed by a horizontal line and a long, sweeping flourish that extends to the right.

Stephen Martinez  
Sr. Vice President of Drilling
