**Subject:** [EXT] Baker Ranch Protest of Solaris Application, Osprey State SWD No. 1

Gentlemen:

Jesse T. Baker, Susan A. Baker and Baker Ranch hereby protest the application filed by Solaris Water Midstream, LLC to drill and complete, for salt water disposal, the Osprey State SWD No. 1. The application was filed by Solaris as the application for the Osprey State SWD No.1 – located 2040 feet from the North line and 610 feet from the West line, Section 36, Township 25 South, Range 31 East, Eddy County, New Mexico. The proposed well is on the Baker Ranch in Eddy County, New Mexico.

Mr. and Ms. Baker have been out of State on vacation. While they were out of State, a friend of Ms. Baker picked up their mail from the post office on July 19 which included the notification from Solaris of this application. Mr. and Ms. Baker returned home on the evening of July 29, 2019 and that was the first time they saw the letter or were made aware of the Solaris application for an SWD on their ranch.
