RE: Madeline SWD Well No. 1 (API 30-025-Pending. Appl. No pMAM1919951708) D-12-26S-32E, NMPPM, Lea County

Ms. McConnell:

OCD was notified by BTA Oil Producers, LLC that they are protesting this application. This party is identified as an affected person for the location being considered for the application. You are being notified that if Chevron USA Inc. wishes for this application to be considered, they must either go to hearing or may be reviewed administratively if the protest is withdrawn as a result of a negotiated resolution with this party. The application will be retained pending resolution of the protest. Please continue to provide OCD with information regarding the standing of this application. Please me call with any questions on this matter.

Re: Chevron – Madeline SWD #1
Section 12-T26S-R32E-Lea County, New Mexico

Dear Mr. McMillan:

BTA Oil Producers, LLC (“BTA”) objects to the Application for Authorization to Inject filed by Chevron U.S.A. Inc. (“Chevron”) into the Madeline SWD #1 located on the above described lands. BTA has oil and gas development plans on its Federal Oil and Gas Lease covering Sections 1, 12, and 13-T26S-R32E-Lea County, New Mexico, and Chevron’s proposed application will interfere with BTA’s planned operations. Please call me at 432-682-3753, or e-mail me at wprice@btaoil.com if you have questions or want to discuss.

Very truly yours,

BTA Oil Producers, LLC
