Mr. Smith:

OCD was notified by Devon Energy Production Company, LP that they are protesting this application. This party has been identified as affected persons for the location being considered for the application. You are being notified that if Foundation energy Management, LLC wishes for this application to be considered, they must either go to hearing or may be reviewed administratively if the protest is withdrawn as a result of a negotiated resolution with this party. The application will be retained pending resolution of the protest. Please continue to provide OCD with information regarding the standing of this application. Please me call with any questions on this matter.

**Subject:** Protest of Application to Inject (Blue Quail Federal #1)

Mr. Goetze and Mr. McMillan,

Devon Energy would like to formally protest Foundation Energy Management LLC's C-108 application to dispose produced water into the Blue Quail Federal #1 (API# 30-025-33222), located in Section 7-23S-32E, Lea County, New Mexico.

Devon believes that the conversion of this well to an injection well would impact the drilling of multiple Devon-operated wells and puts our ability to access our deeper reserves at risk. Please confirm receipt of this protest and let me know if any additional information is needed.

Respectfully,

**Katie Dean**  
Sr Landman
