RE: Sand Federal SWD #1 (API 30-025-250 Goetze, Phillip, EMNRD <Phillip.Goetze@state.nm.us>17; Admin. Appl. No pLEL1921155208; Unit H-18-23S-32E, NMPM, Lea County

Ms. Harms:

OCD was notified Foundation Energy Management, LLC that it is protesting this application. This party have been identified as an affected person for the location being considered for the application. You are being notified that if Devon Energy Management Company, LP wishes for this application to be considered, they must either go to hearing or may be reviewed administratively if the protest is withdrawn as a result of a negotiated resolution with this party. The application will be retained pending resolution of the protest. Please continue to provide OCD with information regarding the standing of this application. Please me call with any questions on this matter.

Re: Protest of Devon Energy Production Company, LP's proposed disposal well: Sand 18 Federal SWD #1, API No. 30-025-25017, 1980 FNL & 660 FEL, Section 18, Township 23 South, Range 32 East, Lea County, New Mexico

Dear Gentlemen,

On August 5, 2019, Foundation Energy Management, LLC (Foundation) received legal notice from Devon Energy Production Company, LP, stating that an application for the above referenced disposal well had been submitted.

This letter serves as Foundation's formal protest to the proposed disposal well. Foundation operates an oil and gas well in Section 17, which is adjacent to and within one-half (1/2) mile of the proposed disposal well in Section 18.

It is Foundation's opinion, the proposed disposal well will impact their current and proposed operations in the area.

Should the New Mexico Oil Conservation District need additional information related to Foundation's objection, please do not hesitate to contact us.

Respectfully,

Eric W. Wortmann II
