ADMINISTRATIVE CENTRAL TANK BATTERY ORDER

Administrative Order CTB-902

SG INTERESTS I LTD
Attn: Mr. William Schwab III

SG Interests I LTD (OGRID 20572) is hereby authorized to surface commingle gas production from diversely owned leases and wells identified in Attachment A and made part of this order. These wells and leases produce from Basin Fruitland Coal (Gas) Pool (Pool code 71629) and are located on Federal, Indian Allotte, and State leases located in McKinley and Sandoval Counties, in New Mexico.

Production from the subject wells shall be determined as follows:

The gas production from wells in Attachment A shall be sold at the El Pintado CDP (FMP) located in Units F and G, Section 10, Township 20 North, Range 6 West, NMPM, Sandoval County New Mexico.

Production from the subject wells shall be determined as follows:

The gas production from each of the wells shall be measured separately before commingling at the gatherer meter.

The operator shall notify the transporter of this commingling authority.

For future additions of wells and leases to this commingling operation, notice shall only be given to those interest owners in the wells and leases to be added, in accordance with Division Rule 19.15.12.10 C (4) (g) NMAC.

Subsequent wells within leases approved by this order may be added to this administrative surface commingle application with a Sundry notice to the Engineering Bureau.

This administrative order supersedes any previous administrative order for gas measurement only for wells listed in Exhibit A.

The operator shall notify the Aztec district office of the Division upon commencement of commingling operations.

This approval is subject to like approval from the **Bureau of Land Management** and **New Mexico State Land Office** before commencement of the commingling operations.

Adrienne Sandoval
Director
