RE: Kizer SWD #2 (API 30-041-Pending; Admin. Appl. No pKAM1925532064) Unit M S26 T33S R33E, NMPM, Roosevelt County

Mr. Boyd,

OCD was notified by the NM State Land Office that they are protesting the revised Kizer SWD #2 application. This party has been identified as an affected person for the location being considered. Because of the protest, the application can

no longer be reviewed administratively. You are being notified that for this application to be considered, Ridgeway Arizona Oil Corp currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to me call with any questions.

Ari,

It was nice to meet you as well, I always appreciate the opportunity to sit down with people I'm working with. I've attached a scanned copy of the signed agreement. We'll FedEx the original to you, and you should have it in hand tomorrow.

When time permits, please send the OCD notification that the SLO will remove the objection. We need to clear that hurdle so that the review of our application can move forward.

Thanks for your help.

Sincerely,

Everyone,

Clayton and I will be in Santa Fe Tuesday and have a 9:00 meeting with Niranjana Khalsa. Would any or all of you be available either before or after that to briefly sit down and hopefully finalize our agreement? It seems that we're very close to the finish line.

If anytime Tuesday morning works outside our 9:00-9:30 window please let me know, and thanks everyone for your time.

Sincerely,
