Mr. Hicks

The OCD was notified by the New Mexico State Land Office (SLO) that they are protesting these applications. This party has been identified as an affected person for the location being considered. Because of the protests, these applications can no longer be reviewed administratively. You are being notified that for these applications to be considered, AWR Disposal, LLC., currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to me call with any questions.
