Ms. Antillon,

The NMOCD is in receipt of the State Land Office's protest of the amended application filed by Solaris Water Midstream, LLC for a new location for the McCrae SWD #1 well in Section 33, T19S, R28E. The Division is unable to recognize the protest.

The OCD received the amended application on June 12, 2019 at which point it was deemed administratively complete. Because the proposed change of location did not require that any new parties be notified, no new notice was given.

If you have any questions please feel free to let me know.

Regards,
