RE: Cersei State SWD #3 (API 30-15-Pending; Admin. Appl. No pBL1932658509) Unit A 16 T25S R13E) NMPM, Eddy County

Mr. Alleman,

The OCD was notified by XTO that they are protesting this application. This party has been identified as an affected person for the location being considered. Because of the protest, the application can no longer be reviewed administratively. You are being notified that for this application to be considered, SELECT ENERGY SERVICES, LLC currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to call me with any questions.

**Subject:** [EXT] Select Energy Services - Cersei State SWD #3

The referenced application was received in our office via certified mail on November 05, 2019. XTO Permian Operating, LLC (XTO), as an affected party, objects to the referenced application for disposal into the Devonian-Silurian formation. Select Energy Service's proposed location is inside the XTO operated Poker Lake Unit and has a potential to impact future and existing development in the area.

Please note, this protest is delayed as there is no record of XTO Permian Operating, LLC being notified. It was brought to XTO's attention when the notice to Mobil Producing Texas & New Mexico, Inc. was eventually forwarded.

XTO requests to be notified of any further activity in regard to the application, including being provided with notice of any hearing scheduled.

Should you have any questions, please do not hesitate to contact me.
