Mr. Arthur:

OCD was notified by NGL Water Solutions, Permian LLC that they are protesting this application. This party is identified as an affected person for the location being considered for the application. You are being notified that if Solaris Water Midstream, LLC wishes for this application to be considered, they must either go to hearing or may be reviewed administratively if the protest is withdrawn as a result of a negotiated resolution with this party. The application will be retained pending resolution of the protest. Please continue to provide OCD with information regarding the standing of this application. Please me call with any questions on this matter.

Re: Dillinger Fed SWD#1 Injection Application Protest
S20 T24S R30E
Eddy County, New Mexico

To Whom It May Concern:

Reference is made to the notification of Dillinger Fed SWD#1, dated September 4, 2018, wherein ALL Consulting filed an application for authorization to inject on behalf of Solaris Water Midstream, LLC for the referenced well located in Section 20 of Township 24 South, Range 31 East, in Eddy County, New Mexico. As the legal authority of BOPCO L.P. within ½ mile of the proposed location, we believe that the disposal of salt water will impede upon the long-term development within the Poker Lake Unit. We are requesting to be contacted regarding this application by applicant.

For your information, I have attached the notification, as sent by ALL Consulting LLC, which is the basis for XTO's objection. Should you have any questions, please do not hesitate to contact Michael Thompson at (432)221-7357.

Respectfully,

A handwritten signature in black ink that reads 'Patricia Donald'. The signature is written in a cursive, flowing style.

Patricia Donald
