Hi Kayla,

We are in the process of revising the WI owner list in the pooling agreements due to some recently received title information. There are two pooling agreements; one for the 640 acres constituting the W/2 of Sections 15 & 22 and one the 640 acres consisting of the E/2 of Sections 15 & 22.

Thanks,
Kelly

Hello Kayla,

I am finishing the preparations for the surface commingle application (CTB-939) for the Culebra Bluff CTB operated by Chevron USA, Inc.

I need to see a statement from a qualified person confirming the pooling agreements (for the W/2 of

Sections 15 and 22 and E/2 of Sections 15 and 22) are in effect and the lands contained within them.
