Mr. Garcia,

After visiting with Lowry Environmental on your request, we put the attached together. Please let myself or Lowry Environmental know if this works for your needs. Appreciate you reaching out and looking into my permits.

Mr. Jameson,

I received the following email from John Garcia at the NMOCD regarding the Bounds SWD #1. Attached is a modified list of Pending Applications and GPS for SHL locations that was submitted to Kathleen Murphy at the NMOCD in June of last year. Also attached is a preliminary draft of the Form C-102. I am reluctant to survey the proposed SHL location until the permit has been reviewed and approved in case we need to make any adjustments to well's position. Please review the attached at your convenience. Thanks.

Respectfully,

Joel Lowry

Environmental Professional

Joel,

I am currently reviewing the Bounds SWD #1 for LilyStream Water Solutions, I was wondering if you could provide a preliminary C-102 along with the coordinates of the SHL.

Thank you,

John Garcia
