Hello Baylen.

I am not sure if word had filtered over to you about this pending SWD application; after additional review of the well location, XTO Energy, Inc. has decided to withdraw the application. If plans change or an alternate location is decided upon, XTO understands a new application and fee will need to be submitted through the NMOCD fee portal.

If you have any questions or need any additional information, please do not hesitate to get in touch with me.

Thank you for all your help and answering so many questions on this application Baylen.

Have a wonderful afternoon.

Tracie
