Ms. Musallam,

Administrative Order PLC-727 was approved and issued on 1/4/21; however, within it PLC-271 was superseded for wells which are also included within PLC-727. This was done in error as the intent was to supersede PLC-217 for wells which are also included within PLC-727. Because there are no wells in common between PLC-271 and PLC-727, PLC-271 will not need to be reissued.

To correct this error, PLC-727-A will be issued which will supersede PLC-727 and supersede PLC-217 for wells which are included therein.
