## Administrative Order CTB-635

Mewbourne Oil Company  
Attention: Mr. Robin Terrell  
PO Box 5270  
Hobbs, NM 88241

### RE: Surface Commingling

It is our understanding that you propose to commingle production of natural gas from diversely owned lands, limited to one common source of supply (N. Seven Rivers; Glorieta-Yeso Pool (97565), through facilities operated by the Mewbourne Oil Company ("Applicant"). By this application you are seeking commingling approval pursuant to Division Rule 12.10.C(4) [19.15.12.10.C.(4) NMAC]. It is further understood that you have provided notice to all interest owners in accordance with Rule 12.10.C(4)(c), and no objections have been received.

Applicant is hereby authorized to surface commingle natural gas production from the N. Seven Rivers; Glorieta-Yeso Pool from the following wells and completions located within Township 20 South, Range 25 East, NMPM, Eddy County, New Mexico:

It is our understanding the sales point will be located within Unit Letter M, Section 33, Township 19 South, Range 25 East – off lease sales are approved for these wells.

This installation shall be constructed and operated in accordance with applicable Division Rules. Gas from each separately owned lease shall be continuously metered prior to being commingled for sale. The gas allocation meters shall be calibrated on a schedule based on throughput as per Rule 12.10.C(2) NMAC.

Before commencing surface commingling, the operator must obtain approval from the United States Bureau of Land Management (BLM) as directed in Rule 12.10.C(4)(h) NMAC. The operator shall notify the District office of the Division prior to implementation of commingling operations. It is the also responsibility of the operator to notify the transporter of this commingling authority.

Applicant has not provided notice that it is requesting addition of future wells or additional leases or pools to this commingle as per Rule 12.10.C(4)(g)(i) NMAC. Therefore, additional wells or pools shall not be included in this surface commingle without the operator again making application and providing notice to all owners.

Sincerely,

  
JAMI BAILEY  
Division Director
