## Plan of Action

- LOGOS will perform a diagnostic on the subject well to determine if the well can produce or be plugged on or before April 30, 2022.
- Upon diagnostic results, this will determine a plan forward
  - Plan will be to repair
  - Return well to production (RTP), immediately following
- If repairs fail and well is incapable of producing, then LOGOS will submit to the agencies a notice of intent (NOI) to perform a plug and abandon procedure.

LOGOS financial assurance is covered by New Surety Argonaut Insurance Company Bond number NMB001820.
