Re: Request for Extension of Solaris Water Midstream, LLC Injection Permit Breckenridge State SWD #1
Administrative Order SWD-1883

Ms. Sandoval:

Solaris Water Midstream, LLC ("Solaris") hereby requests approval from the Division for a one (1) year extension from the deadline stipulated in Order SWD-1883 to commence injection on the Breckenridge State SWD #1 well.

This well has not been drilled for various reasons, including the ongoing Covid-19 situation.

The AOR does not include any new affected parties. The surface owner remains the same as in the original application.

I have enclosed a copy of the approved permit for your convenience. If you need additional information I can be contacted at whitney.mckee@solarismidstream.com or 432-203-9020.

Best regards,
