**Glider AKG State Well No. 1 (API 30-015-26906)**, Unit F of Sec 17, T21S, R27E,  
Eddy County, New Mexico.

The gas sales point for the commingled production shall be located in Section 8, Township 21 South, Range 27 East. Gas production from the wells is approved for off lease measurement and sales. Liquid production shall not be commingled. It is understood that no downhole commingling between pools is authorized or is occurring in any of the subject wells.

Gas production from the wells shall be measured continuously with calibrated allocation meters prior to commingling with production from other wells. The allocation meters shall be calibrated in accordance with 19.15.12.10.C(2)(b) NMAC.

**This approval is expressly conditioned on your obtaining like approval by the Commissioner of Public Lands of the State of New Mexico prior to commingling.**

The producer/operator shall notify the transporter of this commingling authority.

The operator shall notify the Artesia district office of the Division upon commencement of commingling operations.

Sincerely,

A handwritten signature in black ink, appearing to read "Jami Bailey". The signature is fluid and cursive, with a large initial "J" and "B".
