Nathan,

If Anthem could notify XTO of the application, then we can continue to process it. The proposed location falls within XTO's Big Eddy Unit, so they need to receive notice as per 19.15.26.8.B NMAC.

Thanks,

Dylan,

I wanted to follow up again and see if there were any updates on the review status for Anthem's East Federal SWD #2 (pBL2032942911, SWD-2405)?

This application was received by OCD on November 24, 2020, has not been protested, and does not have any known spacing conflicts.

Please let us know if there are any updates on the status of this application and whether any additional information is needed to complete the review.

Thank You!
